(b) if so, the details thereof;

(c) whether it is proposed to ask States to open a big sports school with hostel facilities in each district for students who excel in their individual sport; and

(d) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF YOUTH AFFAIRS AND SPORTS (SHRI SUNIL DUTT): (a) and (b) Central Board of Secondary Education follows the National Policy on Education, which provides adequate thrust on Physical and Health Education. This subject has been made an integral part of the core curriculum for Classes I to X and the students are evaluated through the mode of internal assessment by the schools concerned. At the Senior School level (Classes XI & XII), the Board offers Physical Education as a separate elective subject in the academic stream. In addition to the above, the Board also promotes sports through organised sports activities at various levels for its affiliated schools.

For Classes I to X, the assessment is reflected in the Achievement Record (for Classes I to VIII) and in the Certificate of School Based Evaluation (Classes IX & X) through a five point scale.

(c) and (d) There is no such proposal under consideration.
